GENTS' KANGAROO. NEXT SININI

One of the most popular Shoes ever designed for Gents' Spring and Summer wear is the hand-sewed Kangaroo introduced by us last season. THE ENGLISH WAUKENPHAST,

The O'Myers legislature took another turn at the Littler affair last evening, refusing, atter long discussion, to pass resolutions submitted for the expulsion of O'Myers, reterring them to a committee. As anticipated from the very first there was no final action, Democratic members having personal reasons for not going to such lengths with O'Myers. Similar resolutions affecting Judge Littler were presented and referred to the same committee. During the entire discussion Judge Littler remained in the House, a deeply interested, but calm observer. He is perfectly satisfied with the developments of the day. The remark is made here that it looks as though the O'Myers legislature was doing what it could to secure Judge Littler's re-nomination by acclamation.

LOCAL NOTICES.

When the blood carries its due proportion of each of the acids, alkalies and other elements of which it is composed, perfect and painless health is the result. Let the proportions be changed by the imperfect working of one or more of the vital organs, and inflammation, pain, weakness and disease are the result. Dr. Carpenter's Calculi Resolvent attacks the seat of disease in the vital organs, and removes the toreign substances (Calculi) that impede their action, thus banishing the inflammation and restoring the organs them-selves to perfect working order. As a consequence, the constituent elements of the blood are soon restored to their proper proportions, and pein, inflammation and disease vanish. Sold by J. J. Brown.
